ANNOUNCING NEW LOG INDEXES

The NAA announces four new LOG indexes which together greatly enhance the value of THE LOG as a research tool by enabling ready access to illustrations and the wealth of historic and other maritime information published in 273 issues of THE LOG over 61 years to the end of 2014.

Index of Articles 1954–2014: Articles in The LOG with key words & ship names cross referenced. (36 pages)

Index of Authors 1954–2014: Authors and their published articles listed chronologically. (44 pages)

Index of Fleets and Classes 1954–2014: Merchant Ship companies, history, fleet & yard lists; Merchant Ship Fleets general categories; Naval Vessel classes. (24 pages)

Index of Illustrations 1968–2014: Lists all 2,800 ship illustrations published in THE LOG since 1968. (56pages)

Copies of three of these Indexes are currently being placed on the NAA website where they can be viewed and downloaded by anybody as searchable pdf documents. The fourth Index (Index of Articles, an update of that issued in 2004 for 1954–2003), will be added to the website during October. Having these Indexes on hand in computers will meet many needs.

In addition printed A5 size copies (the same size as THE LOG) of these Indexes with coloured card covers are available and should be ordered by returning this order form **by 15 November 2015**. Indexes ordered will be posted later in November. Prices for the set of 4 are:
